EDW "RED COATS"

Bob Muschamp

The EDW Red Coats (a.k.a. waiters), as most members know are a long-standing key organization within EDW Council; referred to by many as the "backbone" of our Council. The Red Coats enable our Columbus Club management to cater most functions at EDW at a lower cost (than if held elsewhere) and thus save substantial \$\$ for the Columbus Club and Council. Being a Red Coat is an excellent way for new members to start to become active in our Council and to meet other brother Knights. EDW Red Coats regularly "give back" to the Council, Columbus Club, and community charities with funds mostly derived from waiter tips. Example: the Red Coats have just contributed \$1,000 to the Katrina (Gulf) Relief Fund (through VA State K of C), and \$500 to assist our annual Thanksgiving Dinner Fund for those in need and alone. Anyone interested in joining the Red Coat ranks, let another Red Coat know, or call me @ 703-237-8475.

EDWARD DOUGLASS WHITE

11/3/1845-5/19/21

In November we remember the birthday of Edward Douglass White.

Edward Douglass White was born November 3, 1845 in Thibodaux, LA. EDW studied at Mt. St. Mary's, Jesuit College of New Orleans and Georgetown University. The Civil War interrupted his studies at Georgetown.

He served in the Confederate army during the Civil War. He was captured by Union forces during the war and released at war's end.

Highlights of his post-Civil War years:

1874-Served in Louisiana State Senate (briefly)

1879-1880-Associate Justice Supreme Court state of Louisiana

1891-1894-Associate Justice United States Supreme Court

1910-1921-Chief Justice United States Supreme Court

Edward Douglass White died May 19, 1921 and is buried in Oak Hill cemetery over in Georgetown.

The Information on EDW's life is from Wikipedia. Thanks to Brother Terry Costello who suggested an article on EDW to the editor.

NEW YEAR'S EVE @ EDW

Bob Muschamp

November Already! As you read this we're less than two months from New Year's Eve. You may have heard from some of the 200+ who've been celebrating New Year's Eve at EDW what a Special event this is. It's truly a great evening in a warm, friendly atmosphere with good friends. Cost only \$80 per couple (\$40 sgl.) which includes one hour open bar & hors d'oeuvres @ 6:30 pm; full dinner (choice of prime rib, chicken marsala, or a seafood entree to be determined); dance to the good music provided by the Jim Bowie band (5 piece plus vocalist) that has entertained us in recent years; midnight champagne; continental breakfast, and plenty of great door prizes. You'll not do better elsewhere!

Talk it up with friends, family, etc., and get up a table. Tickets will be available in Columbus Club office by early-mid December. Any questions/comments - call me @703-237-8475.

RELIGIOUS CHRISTMAS CARD SALES

The holidays are rushing towards us. It is a good time to start thinking about buying Christmas cards. Once again you can by the family buffet and family breakfast and purchase religious Christmas Cards. Remember, the Knights of Columbus is one of the few places that you can actually buy cards that Keep Christ in Christmas.

FROM THE DESK OF THE FINANCIAL SECRETARY

by Jerry Garren, FS, PGK

Dues Notices The Fourth Quarter dues notices were mailed in mid-October. I realize that the notices were a couple of weeks late in getting into the mail, but I purposely waited so that I could prepare them while enjoying the Outer Banks with my family. I apologize to everyone for the delay and want to assure everyone that no one's status has been jeopardized due to the delay.

Delinquent Members If you regularly read my column, you know that I have published the names of delinquent members and the amounts owed during the last two months. In consideration of the dues mailing, I have given delinquent members a reprieve this month. (I remain eternally hopeful that they will find it in their hearts to remain members.) Next month however, I intend to publish the names of all delinquent members- including those that have become delinquent this year. I would like to gently remind everyone that members who do not pay their dues actually dip into the Council's finances and hurt EDW's ability to engage in charitable and social activity. If you wish to remain a member, please pay your balance promptly. If you no longer wish to remain an active member, please drop a brief note to me in the mail and indicate that you wish to change to an inactive status. Please don't delay, as delinquencies place a strain on our financial resources!

2006 Dues I know this is only November and realize that this may be a bit early to discuss, but I intend to mail the 2006 dues notices in early December. For purposes of your personal budget planning, dues will increase by \$2.00 in accordance with a resolution previously passed by the Columbus Club in 2003. Regular Members dues will be \$110; Honorary Members dues will be \$40 (Columbus Club dues only). I know that this may seem like a lot compared to other councils, but this is not your typical church basement council. We are blessed to have a beautiful grounds and activities galore. Remember that this is the final scheduled dues increase under that resolution and I remain hopeful that everyone's dues will remain stable in the future.

Thanksgiving Donations As the Thanksgiving season approaches, a great number of members unselfishly contribute to support the Thanksgiving Outreach. Donations can be made by mailing them to my attention at the Council. Please make sure that you note "Thanksgiving" in the memo area of your checks. I want to thank everyone who gives to this important cause- you are the ones who truly make this happen!

On a Personal Note Previously, I have confided to my close friends that this is the most difficult job that I have ever held. In fact, I must confess that I feel as though I am not being charitable and absolutely despise having to rant and rave every month about the members who have failed to pay their dues. However, I want every member to understand that I do this for YOU- the members of this Council who are in good standing- in an effort to reduce the drain that delinquent members have on EDW. But also understand that I simply cannot be the "enforcer" by myself. If you know a delinquent member, please, please, PLEASE, contact them and ask them to pay their dues. If we all pitch in, we can keep EDW financially healthy and avoid future dues increases.

Deaths I am saddened to report the death of James D. Rigdon and PGK Joseph P. Lisak, Jr. Please keep them in your prayers.

God Bless,
Jerry Garren, PGK

RIGHT TO LIFE NEWS

By Bill Johnson

Brother Knights, the following is from a statement by William Cardinal Keeler of Baltimore, issued for Respect Life Sunday, this past October 2nd. The last few thoughts in particular are worth remembering when we consider why we, as Catholic gentlemen, must honor life: Life is of God; that one diamond-hard fact is at once irreducibly basic and immeasurably profound.

"On Respect Life Sunday we reflect on God's priceless gift of human life. We acknowledge with gratitude the many blessings we enjoy as creatures made in the image of God – our capacity to make moral choices, to know and love God and serve one another.

On this day we also take stock of our nation's progress in fostering a culture where every human life is respected and defended. Here, the outlook is decidedly mixed.

Advances in science and technology have added years to the average lifespan. Yet our Supreme Court will soon rule on whether Oregon physicians may demand access to federally-controlled drugs so they can assist the suicides of sick and elderly patients.

Researchers are unlocking the secrets of the human genome and human stem cells with promising therapeutic results. Stem cells from adult tissues and umbilical cord blood can now treat dozens of diseases and may soon treat many more. Still, some persist in pursuing immoral and speculative research using stem cells obtained by killing developing humans in their first week of life.

Reproductive medicine has allowed more couples to overcome barriers to having children of their own. But one reproductive technology, in vitro fertilization, is now best known for its tendency to produce "spare" embryos who are frozen and sometimes destroyed for research. And some fertility specialists today sort (and reject) embryonic humans to eliminate those with identifiable "defects" – or simply with traits the parents do not prefer.

A profitable niche of the pharmaceutical industry invents ever new ways to block human reproductive capacity, including drugs and devices that may interfere with the survival of a new human life after it has begun.

In short, the "healing arts" are moving beyond the field of healing and into an ethical minefield, where technical knowledge can be used as much to demean life as to serve it.

As Catholics we know that the truth of human life is infinitely greater than any narrow view that dismisses some lives as disposable. "We are not some casual and meaningless product of evolution," Pope Benedict pointed out at his Inaugural Mass. "Each of us is the result of a thought of God. Each of us is willed, each of us is loved, each of us is necessary."

The truth that human life has a purpose, given by its Creator, has been bedrock of Western civilization. This conviction animated our country's founding documents. God's creative and sustaining love for every human being is the one sure source of human dignity and freedom. His love for us is the fundamental reason why every human life must be valued and defended. It is not possible to maintain a community of justice, freedom, and solidarity built on any other foundation.

On October 2, 2005, Respect Life Sunday, please join me in thanking God for the great gift of life, and join me in pledging to do the utmost in the coming year to promote a culture which fully honors the dignity and right to life of every individual."

Cardinal William H. Keeler
Archbishop of Baltimore
Chairman, USCCB Committee for Pro-Life Activities

"I call heaven and earth to witness against you this day, that I have set before you life and death, blessing and curse; therefore choose life, that you and your descendants may live." Deuteronomy 30:19

BLOOD DRIVES @ EDW

SUNDAY, NOVEMBER 20TH

Not long ago we regularly had a very good turnout of 50-60, plus at our EDW blood drives; for whatever reason(s) the turnout for our past several blood drives has dropped to only about 40.

With the membership base we have, coupled with family members, a group such as ours should be able to regularly turn out 80-100 blood donors for our 4-5 annual blood drives! If we can't ensure 50-60 + donors per blood drive we may not be able to continue scheduling blood drives at EDW. Many of our "regular" donors find it very convenient to be able to donate "at home" rather than having to go elsewhere. In the past 2-3 years EDW has had a large number of 25-40 year old young men join our Council. This is a special appeal to those newer, younger men to start coming to our blood drives beginning with our next one, on Sunday, November 20th, from 9:30 AM to 2 PM (a Family Breakfast Buffet Sunday). Please come, and Give The Gift of Life.

K OF C GOLF CLUB

FALL SHENVALLEE TRIP AND ANNUAL BANQUET

By Paul J. Kemp

The Fall 2005 Shenvallee trip attracted 20 Knight golfers and friends to New Market, Va. on September 20 to September 22. As usual for this time of year in the Shenandoah Valley the weather was especially nice, cool in the morning, with rooster tail putts on the dewy greens, and temperature gradually rising as the day wore on. The course was in very good shape, except that non-watered areas off the fairway showed the effects of sparse rain. I mention these brownish, off-fairway areas not from personal inspection but only having seen them from the center of the fairway where most Knight golfers play. Scout's honor. The winners for the 18 holes played on the first day, September 20, appear below:

A Group

Gross - Jack Sinclair 84
Net - Tom Fortkort 69

B Group

The Captain's choice nine hole match on the second day produced the following results: First place honors were shared by two teams: that of Tom Fortkort, Tom Bailey, Jack Creamer, and Russ Martin, and the team of Jack Sinclair, Larry O'Brien, John Curtis, and Fred Carmichael. Third place honors went to the team of Tom Wilson, Jim Conrad, Raymond Barrett, and John Lyddane. Tom Wilson was closest to the pin on the 20th and 21st, with distances ranging from 4' 11" to 21' 4". The big winner of the blind bogey on both days was Jack Sinclair; something funny must be going on here! As usual the winners of the 18 holes played on the third day will be announced at the Fall Banquet, now scheduled for November 16. Prime rib or crab cakes will be the fare, so call in your selection to Tom Wilson ASAP, but no later than November 9.
