BLOOD BANK NEWS

Ray Fioramonti

It is too early to report on our January Blood Drive, we will report on it in the March issue. This will be our first drive using the INOVA Blood Mobile. Hopefully our numbers will continue to grow.

We thank all our donors.

KNIGHT OF THE MONTH

John Pfundstein is our February Knight of the Month. He is a long time member of E.D.W. and was a Council trustee for three years. John has worked at so many of our events at E.D.W. He is especially busy during the Thanksgiving season both preparing for and working the actual event. John frequently helps at our Council Degree ceremonies, ensuring all is prepared for the post ceremony activities. During our non-winter months, he can be seen working in the barbecue pit. Thank you John for all you have done and all you will continue to do for E.D.W. Please join me in congratulating John Pfundstein for being the February Knight of the Month.

FAMILY OF THE MONTH

The Booth family is our February Family of the Month. They have been very busy members of E.D.W. Steve is busy at the Council home where he serves as a bartender, helps out in the kitchen, and has even tried to explain the rules of Australian football to many of us. We all appreciate the work he did in the Main Hall's Lower Lounge, where he installed the new floor for E.D.W. Steve can be counted on when E.D.W. needs an extra set of hands to pitch in for any number of our different activities. The family also has Michelle working in our dish room. Thank you Steve and family for what you have done and all you will continue to do for E.D.W. Please join me in congratulating Aussie Steve and the entire Booth family for being our February Family of the Month.

GRAND KNIGHT'S MESSAGE

Happy Valentine's Day! Congratulations to six newly elected members to the Columbus Club's Board of Directors. The newly elected board members are John O'Neill III, George Kirby, Dan Metzler, Dave Paduda, Steve Brown, and Jay Byrnes. The Columbus Club Board of Directors held their election of officers late in January.

During January's State meeting, E.D.W., Council #2473 received an award, the "Contest of Champions" for having a net gain of 82 members during 2007 - 2008. The trophy will be placed in our display case outside the Lower Lounge.

Our web site is www.kofcedw2473.org and it has information on many of the happenings at E.D.W. Additionally, the Knight Life is available on line at this web site under the newsletter. The issues of the Knight Life available there start with the January 2005 issue and continues through January 2009. The February issue should be available at this web site in a few days.

E.D.W. will again host a Third Degree ceremony on Sunday, March 22, 2009. This is wonderful opportunity for interested Second Degree knights to attend a Third Degree ceremony right at E.D.W. As a reminder, all interested knights must be a member in good standing of the Third Degree to hold a Council office.

E.D.W. had the opportunity to present some of our brother knights their membership pins for twenty five years and Honorary Life pins with the Knights of Columbus during the Christmas party and again at the annual meeting. We will continue working towards awarding all the membership pins that our brother knights so richly deserve. Let me again congratulate all of the awardees.

Please continue to have a safe and happy year.

Robert J. Dannemiller
 Grand Knight

FROM THE DESK OF THE FINANCIAL SECRETARY

by Jerry Garren, FS, PGK

Last Year's Dues: I have received a number of inquiries from members concerning the two dues notices that may have been received as part of my back to back mailing in December. If you were one of those Knights who received my "one-two punch," your dues for 2008 did not get paid. If you have a question concerning your dues, it's always best to email me so that I have your message as a reminder to check.

Second Dues Notice: I anticipate that the Second ("late") Dues Notice mailing will occur in mid to late February. If you have not yet paid your dues, you need not wait for the Second Notice and can mail them directly to the Council. The 2009 dues amount for Regular Members is \$119.00, comprised of \$70 in Council dues, a \$3 special assessment for Supreme and \$46 in Columbus Club dues. The amount of dues an Honorary Member must pay is \$65; the amount for Honorary Life Members is \$46 (remember these are solely Columbus Club dues- there is no "home association" dues exemption provided in the Columbus Club By-Laws).

Paying your dues in full minimizes administrative costs and helps the Council, overall. Please remember to add a few dollars to the "Penny a Knight a Day" (PKD) Fund, the Building Fund, and the Charity Fund.

KOVAR: It's never too early to start talking about this important charity...please remember to put aside a few dollars and send them into the Council.

THE AUDACITY OF “FOCA”

Bill Johnson

In July 2007, Barack Obama told a Planned Parenthood audience: “The first thing I’d do as president is sign the Freedom of Choice Act.” (also known as “FOCA”) Search YouTube.com for the words “Obama” and “FOCA” to hear it for yourself. Since Obama has said that signing FOCA into law would be his first priority as a new president, summarizing the bill answers the question: For what change does Barack Obama have the audacity to hope?

- FOCA creates a “fundamental right” to abortion throughout the nine months of pregnancy. No governmental body at any level would be able to “deny or interfere with” this right, or to “discriminate” against the exercise of this right “in the regulation or provision of benefits, facilities, services, or information.” For the first time, abortion would become an entitlement the government must condone and promote.
- Some states require that women be told about the risks of abortion. FOCA would erase all informed-consent laws states have enacted.
- Many states require that parents be informed and sign off on their daughters’ abortions, just as they are informed and involved in every other surgical procedure. FOCA would override and end all parental-involvement laws.
- Some states have laws promoting maternal health. Obama’s FOCA wouldn’t allow them.
- Regulation on abortion “clinics” helps keep these businesses responding to health and safety concerns. FOCA would end these regulations.
- FOCA would disallow “government programs and facilities that pay for or promote childbirth and other health care without subsidizing abortion.”
- Conscience-protection laws would end. These currently allow Catholic and other pro-life hospitals, doctors, medical students and health-care workers to opt out of participating in abortion in many places.
- After FOCA, any laws that prohibit a particular abortion procedure, such as partial-birth abortion, will no longer be in force.
- FOCA would also strike laws requiring that abortions only be performed by a licensed physician.

The U.S. bishops are asking Catholics to contact their U.S. representatives and U.S. senators by fax, letter, e-mail or phone.

Find the names of your U.S. representative and senators by typing in your zip code at VoteSmart.org.

If you know your representatives’ names, but not their contact information, call the U.S. Capitol switchboard at (202) 224-3121.

The bishops recommend delivering this message to all lawmakers who represent us: “Please pledge now to oppose FOCA.”

The right to life is the basis of all other rights and the central human rights question of our day.

SIX GREAT REASONS TO HAVE INSURANCE ON CHILDREN

Knights of Columbus Insurance

- **Protecting Insurability:** With a Guaranteed Purchase Option (GPO) rider attached, Knights of Columbus plans guarantee the child the opportunity to purchase more protection at various dates in their future without having to prove insurability. Our GPO rider allows children to increase their insurance up to seven times between the ages of 17 and 40, regardless of health. The GPO rider also enables them to get coverage with

one of the top rated insurance companies in the world. They don’t have to join the Knights or (in the case of a female) marry a Knight. They do it through your membership.

- **Financial Protection:** When we lose a loved one, especially a child, the financial loss is often not just the cost of a funeral. It’s not uncommon for parents to lose time from work to care for a dying child and to lose even more time after the child’s death because of a bereavement period. Many companies limit bereavement periods to three days. Also, medical expenses incurred during an illness oftentimes cause financial stress. Beyond paying funeral costs, a policy on a child can help to supplement income while loved ones deal with this devastating loss.
- **Lower Cost:** The rates will never be any better than they are right now. Plus, if you consider the amount of coverage that your children will likely need given inflation, a juvenile policy could literally save them thousands of dollars.
- **Encourages Saving:** Knights of Columbus plans offer terrific cash and dividend values to help supplement cost of future likely expenses, such as the purchase of a home or a wedding. Plus, with more and more companies no longer offering pension programs, the cash values can help supplement the child’s retirement.
- **Qualifies for Orphan Benefit:** If the father is in good standing with his local council and at least one of the parents is insured with the Knights by a policy of at least \$5,000 permanent coverage (minimum coverage required may be higher for new plans) or \$150 annual premium, each insured child would receive a monthly benefit of \$80 to age 19 (age 23 if they attend college) if both parents were to die.
- **Creating a Legacy:** The plan is also in place to protect your child’s future family – your grandkids!

Life Insurance for your child is truly a lasting gift, which they will look on later in life as one of their most cherished assets.

LADIES U-KNIGHTED NEWS

Susan Walthall

Just a couple of things to share with you. Our little tree in the women’s bathroom will become the “happening tree.” We received so many complimentary comments about it that we thought we will leave it up all year round. Check it out when you are in the Council Home. We should have a few surprises for you and we will post any important messages on the tree.

Please check out the ad for the Easter Baskets. They have been a big hit with members.

We will begin taking orders in March so stay tuned.

We are now gearing up for our 2nd Annual golf tournament. We’re looking at dates in late April and early May so stay tuned to the Knight Life for this “much anticipated” fun day. This will be our major fundraiser of the year, so we will be looking for corporate sponsors. And, if you would like to honor a family member, you will be able to purchase a memorial plaque that will be put on one of the holes.

And last but not least, please join me in wishing a happy birthday to Peggy Seldin.
