## KNIGHT OF THE MONTH

As you see on page 4 EDW will be adding to our portfolio of youth activities. In September the Cub Scout Pack 637, which is chartered by our excellent neighbor Little Falls Presbyterian Church, will split roughly in half and create a new pack. The pack has grown past its maximum capacity to around 150 scouts. Hopefully it will take the number 2473. Through the efforts of **Mark Stoffel** we will be the chartering organization for the kids. Pack 637 is no stranger to EDW, we have hosted many of their events over the years so this is a natural progression for us to charter the new pack.

These scouts will be coming mostly from Nottingham, Tuckahoe and the new Discovery elementary school. They are our children and our neighbors' children.

Mark is a constant presence on campus and a regular volunteer at many of our events. Thank you, Mark, for bringing this great opportunity to EDW. The KofC, CCA and the BSA will benefit from this partnership.

A donation will be made to St. Charles Borromeo's Adult Faith & Young Adult Ministry in his honor.

## SPECIAL MEETING OF THE CORPORATION

Pursuant to the by-laws of the Corporation, Article II, Section 4, this serves as notice to the membership of a Special Meeting of the Corporation, to be held on **June 4, 2015**, immediately following the 7:30 p.m. meeting of the council. The meeting is to amend a procedural deficiency in the By-Laws and discuss and vote on a Transfer of Development Rights transaction.

Please make sure to attend and to arrive early if you do not have your 2015 KofC membership card as there are very important matters that require a quorum to be present for approval.

## GOLF CLUB

Whether you're a seasoned golfer, a neophyte or someone in between, it doesn't matter. Golfers in the EDW Golf Group run the gamut.

The EDW Golf Group joined several years ago with the American Legion and Elks to form the Northern VA Golf Association. This allowed the larger group to leverage both rates and better courses that include, among others, South Riding, Reston National, The Gauntlet, Quantico Medal of Honor, Virginia Oaks, Penderbrook, Goose Creek, Pleasant Valley, Prince William, Osprey Landing, Old Hickory and West Park. There are two out-of-town trips still available for this year: our Aug. 11-13 trip to Carroll Valley, fairly close to Emmitsburg, MD, is still open until June 8. If availability closes, you can go on stand-by, should someone not be able to make it. The final trip is to Shenvalee is Sept 8-10, and the cut-off for sign-up is Aug. 15. Shenvalee is located in New Market about 97 miles from EDW.

Our daily June, 9am tee times, are: June 1 at Forest Glen, June 15 at South Riding and June 24 at Goose Creek.

Come enjoy yourself and the camaraderie of your fellow Knights in a relaxed atmosphere, pleasant surroundings, and to do so economically. In November we have a banquet where we present awards, make announcements and share stories, some of which are true.

Annual dues are \$30. If you have any questions or need more information, feel free to call Larry O'Brien at 703-978-5651 (evenings and weekends) or email him at [obrienclu@cox.net](mailto:obrienclu@cox.net)

## GRAND KNIGHT'S MESSAGE

Before I assumed the duties of the Grand Knight our 38th Grand Knight, Bob Banasik [1975-1976], gave me advice and suggestions to help make things run smoothly and to help people get more involved. Everything he offered me was a gold mine, thank you, Bob. One of those was to revive a custom that had fallen to the wayside the last few years. That was to include my photo with this column. Now, I'm a pretty laid back person who doesn't really like the limelight so I was pretty hesitant to do it. His advice though as he sensed me hmm and haw was to let our 2,000 families put a face to the council. So that when they see me around campus they can come and talk about any topic that they feel needs to be brought to our attention. So I did it and I haven't regretted it though it has put me on alert to, well, how to say it? Not to be so comfortable in public! Brothers and wives have

approached me on campus, at St. Agnes, at Nottingham, pulled their cars over or stopped during their jogs to chat with me while I'm cutting the grass and have even visited with me in parking lots at various plazas and restaurants. Arlington is a small town and we are many in numbers.

Consider this an invitation!

So as we enter the summer months you will likely find me most days in the pool with my daughter or at a table in the picnic grove. Don't hesitate to talk with me about anything that is on your mind. Don't think twice about saying hi and chatting if you see me around town or working in my yard.

We want you to get involved and be a bigger part of the council every day. Please volunteer at the various events we hold, or better yet come up with a new event and pitch it to us. We're always looking for the next generation of leaders both on the council and on the club side. If we don't constantly bring in new minds we'd grow stale and dry up. We don't want that, we have a moral obligation to grow our unique council every year and can only do that with fresh blood and ideas.

*St. Jose Maria Robles Hurtado, formerly of council 1979, please pray for us and guide us.*

John White  
 73rd Grand Knight

## MANAGER'S CORNER PETER SILANO

The summer season has officially begun, with our successful pool opening on May 15. Thanks to the many people who make our opening possible year after year. Special thanks to American Pools, "Stan the Man" Rodriguez our landscaper, Thomas Harrelson from Clover Plumbing for dealing with our hundred year old pipes, Bobby Lillis for the manicured lawns and bushes, Our maintenance team, Rene Ventura, Jose Cruz and Manuel Lezama for their hard work getting the Pool House, Deep End, Pavilion and surrounding areas ready for summer, Thom and Marijo Galvin for getting the Deep End up and running, and lastly, Nick Beirne for doing a stellar job along with Steve Woda creating our new online pool registration. As always, due to the large amount of children from both the pool and camp, we ask that you please be mindful while driving on campus.

Mother's Day was a huge success this year, two hundred strong as well as our annual Memorial Day picnic, kicking off the season on a good note. We hope to see you at the Annual Father Daughter Dance on June 14, Dad's don't forget to make your reservations online. The Father's Day Family Breakfast June 21, Supper Club "New York, New York" June 26 and the Fourth of July Picnic.

## BASILICA OF THE NATIONAL SHRINE OF THE IMMACULATE CONCEPTION

Washington

The Knights of Columbus has a special and unique relationship with the Shrine. The Knights built and maintains the Knights Tower and the 56-bell carillon. The Shrine is the largest Roman Catholic Church in North America. The Knights have not only donated funds for the structure of the Shrine but also maintains and runs the Usher Ministry.

There is a need for more knights to now register to be an usher. Knights are asked to usher one Sunday a month to aid pilgrims, tourists and those attending Masses. EDW has over the years always provided many men for this ministry. Please consider volunteering one Sunday a month to America's preeminent Marian pilgrimage site.

To sign up or ask any questions you can either contact Rick Vranesh PGK, 571 468 5133, or register at [www.kcushers.org](http://www.kcushers.org)

## HAVE YOU INSURED YOUR MOST VALUABLE ASSET?

Is your income protected if you become sick or injured and cannot work? Your ability to work and earn an income is your most valuable asset. Yet a disability could prevent you from earning that income. Just one year of a disability could eliminate your savings.

Income Armor, an individual disability income insurance product from the Knights of Columbus, should be a key part of your overall financial plan and family's protection.

If you are ill or injured, Income Armor provides tax-free monthly benefits to help you meet living expenses and maintain you and your family's standard of living. Your monthly benefits help you pay your mortgage and other monthly bills, while your savings and retirement assets remain intact.

In short, if you have a job and don't have a way to protect that paycheck, you should seriously consider Income Armor today. We look forward to meeting with you.

## WEBMASTER NEEDED

[www.kofcedw2473.org](http://www.kofcedw2473.org)

We are looking for a new webmaster to help EDW and the Columbus Club continue to get our word out to the membership and the general public. If you have the necessary skills or work for, or own, a company that is willing to provide pro bono or greatly-reduced pricing to re-design, update and run day-to-day our web site please contact AJ Valinote, our current webmaster or John White, our Grand Knight.

After ten years of outstanding service to our council AJ Valinote is looking to step down as our webmaster. The website has contributed greatly to EDW's success in attracting new members, communicating with current members, and representing the Knights of Columbus and our council. AJ's efforts building and maintaining the website are complemented now by our council Twitter accounts, our active Facebook page handled expertly by Charles Cogar, and our growing email notification system.

As part of this transition we want to redesign the site, building on what it does in some key ways:

- Build an improved interactive virtual storefront to aid in Dues collection as well as to promote and sell special event tickets such as our New Year's Eve dinner, Nationals baseball outing, Thanksgiving donations, etc.
- Redesign the site to be "smartphone friendly" or incorporate an App version.
- Integrate content management features on key pages (home page, pool page, camp page, etc...) that enable appointed individuals with no HTML skills to login and edit their content, post stories, notices, etc. This will allow us to farm out the content management burden, get time-sensitive information posted quickly, and keep the site fresh.

## EDW HAS CUBS NOW!

On April 23rd, EDW Council 2473 agreed to sponsor a Cub Scout pack 2473, led by Cub Master Scott Feira. The pack will consist of about 70 scouts and their parents, who live in the local area and include many Brother Knights and their sons.

Cub scouts participate in many service projects throughout the year, include the annual Scouting for Food drive in the fall, and distribution of American flags to local homes on Flag Day. We will be working with the Cub Scout pack leadership to identify a primary service project that will benefit EDW.

The aims of scouting include Character (growth in moral strength, and a collection of core values that leads to moral commitment and action; Citizenship (the boy's relationship to others, obligations to other people, to the society he lives in, and to the government); and, Fitness (development of physical, mental, and spiritual fitness). These obviously align with the Knights of Columbus principles of Charity, Unity, Fraternity, and Patriotism.

This new relationship is an outgrowth of the existing BSA Venturing Crew 2473, led by Victoria Crowe (leader) and Carl Stout (Chartered Organization Rep), founded in 2004.

The pack is self-sustaining financially, and it is predominantly parent-led. The pack would clearly benefit from volunteer assistance from the EDW membership. If you care to learn more, contact Cub Master Scott Feira, Unit Commissioner Carl Stout (703-785-1204), or Unit Commissioner Mark Stoffel (703-298-8033).

## PERPETUAL EUCHARISTIC ADORATION

We have the county's only Perpetual Eucharistic Adoration here at St. Agnes. However this is a bigger responsibility that needs the support of all diocesan parishioners. We need assistance in maintaining the 24 hour vigil. This adoration is extremely important for us to keep it going.

If you, your wife or someone else you know may be interested in this unique ministry please contact me, Dan Sullivan. I can answer any questions you have on the program and help you arrange the best time to spend in silent prayer with the Eucharist.

**There is a real need for gentlemen to volunteer overnight.** Fully half of the adorers from 10 pm until 6 am are women, and, although we have keypad locks on the doors, many of these women have expressed unease at being alone in the chapel over night. (Typically, we have only one adorer for any given hour; during the day, there are usually quite a few adorers in the chapel, but not so at night.)

My thought is that asking Knights to adore Christ in the Eucharist during the hours covered by women would serve not only the spiritual purposes to which Knights are committed but the "knightly" function that our moniker implies.

You can commit to a permanent time slot or sign up to be a substitute as needed.

Please email or call me so I can answer any questions you have and to hopefully schedule a time for you. You can also visit the website for the adoration that has more information, a schedule and a registration page: [www.stagnes-adoration.org](http://www.stagnes-adoration.org)

# EDW SUPPORTS A CULTURE OF LIFE

## CULTURE OF LIFE

Dear friends -

Moving forward with the Culture of Life Committee we would like to recommend the following passages by Pope Francis from a very recent speech that he gave on Family at a general audience of April 22, 2015.

We will follow in his footsteps in upcoming newsletters with original witnesses of what building a culture of life means in real terms, in real lives.

“....And let us also think of the recent epidemic of distrust, skepticism, and even hostility that is spreading in our culture — in particular an understandable distrust from women — on the part of a covenant between man and woman that is capable, at the same time, of refining the intimacy of communion and of guarding the dignity of difference.

“If we do not find a surge of respect for this covenant, capable of protecting new generations from distrust and indifference, from children coming into the world ever more uprooted from the mother’s womb. The social devaluation for the stable and generative alliance between man and woman is certainly a loss for everyone. We must return marriage and the family to the place of honour! The Bible says something beautiful: man finds woman, they meet and man must leave something in order to find her fully. That is why man will leave his father and mother to go to her. It’s beautiful! This means setting out on a new path. Man is everything for woman and woman is everything for man.

“The responsibility of guarding this covenant between man and woman is ours, although we are sinners and are wounded, confused and humiliated, discouraged and uncertain; it is nevertheless for us believers a demanding and gripping vocation in today’s situation.”

Vivat Jesus,

Suzanne & Luigi Tanzi
