FAMILY OF THE MONTH

Those of you who come to a meeting or attend almost any council event will have seen this family many times with their guests. They both have given much of themselves to help with council and church and have always shown great pride in all their work. Jim has done more than his share to help promote events and take an active part in the council his lovely wife Janet has been there to help and be active with many things. Jim has also taken up the call for help and will be heading up the KOVAR program for this fraternal year. This is a job that he has done in years past and he will be looking for people to help him to make this years program a great success.

Please join me and congratulate Jim and Janet Walsh for being family of the month for September.

KNIGHT OF THE MONTH

This month I would like recognize a Brother that exemplifies a Knights first charge, Charity. Since PGK, Gene Rutherford suffered his stroke, this Brother has been by his side. He has handled Gene's finances, takes Gene to medical appointments, church, visits and entertains him at his home regularly. He has always been active as a red coat working regularly at luncheons and dinners at the council. He is ready to serve his council and Parish when called on or sees the need. Please take time to thank Brother George Copsey for all he has done for a Brother Knight and his council.

It is with great pleasure that I make George the Knight of the Month and I would like to thank Brother Raymond O'Brien for dropping me a note with this recommendation and I would be pleased to consider any submissions sent to me.

PARISH LIAISONS NEEDED

PLEASE HELP!! EDW Council is the largest council in Virginia. We represent 4 parishes, not just one. These parishes are St. James, St. Ann, St. Agnes and St. Charles. Each one of these parishes needs to have a liaison between our council and the rectory of the parish. As of right now, we have no representatives. Therefore, we ask for members from a parish to contact G.K. Art Gamotis if you are willing to volunteer to represent your parish. Art Gamotis, GK (703) 448-0332 James Walthall, DGK (703) 241-5815

GRAND KNIGHT'S MESSAGE

This has been a good summer for the council and we were blessed with a good season for the pools and snack bar. This offered a great opportunity for our members to meet each other and their families. With the closing of the pools the council will have less activity on the grounds but we still have a lot to offer here at the council home and even the outside activities as long as we are blessed with good weather. Please check the Knight Life and find something you and or your family can do. I ask that each member makes an effort to come to at least one council meeting each quarter so that the council can better serve them.

I know that many of you might not have seen my call for help with summer vacation but if your council is to fulfill our charge to assist our Parishes we need to fill a council round table. This is not a position that requires a lot of time but it is very important that your Pastor has a member at his Parish that he can call on when there is a task that we Knights can do him. Please help your council and fill one of these very important positions. We are also in need of other chairmen and could always use help for the chairmen that we do have.

It has been a goal of mine to get our council more involved with our parishes and our local communities and this is also a goal set by our Worthy State Deputy. While we have made some progress toward these goals we still have many opportunities to reach out. Please let me or any of your officers know if you see a need or a way that your council can reach out and help.

I will close with the hope that all my Brother Knights and their families are blessed with good health and will continue to share in our Lord's Blessings.

Vivat Jesus

FINANCIAL SECRETARY'S REPORT

By Jerry Garren

Audit: I am happy to report that we completed the Semi-Annual Audit by the due date of August 15, 2005. I have copies available for anyone who would like one.

Delinquencies: Previously, I have extensively written to inform you of the continuing problem of "aged delinquencies," which unfortunately directly affects the Council's financial resources (as the Supreme and State Councils continue to assess us for their membership- even though they are delinquent!) Per the reports that I ran at the end of May, EDW had 125 members who have been delinquent since prior to January 1, 2004. Of those 125 members, I discovered that 33 were Insured Members and 9 had transferred out of EDW and were being erroneously kept on our books.

In June 2005, I turned over a list of the 33 delinquent Insured Members to our Insurance Agents to help me resolve those delinquencies. I then began a campaign wherein I personally wrote to each of the remaining 83 uninsured delinquent members. In response to the 83 letters that were sent out, 38 Catholic gentlemen did the right thing and submitted their withdrawals or payments- a 45 percent success rate! (God Bless these good men!!!) However, of the 33 names provided to our Insurance Agents, only one responded- which equates to a 3 percent success rate.

I intend to begin action against all delinquent members, as their continued non-payment threatens the financial health of the Council. Quite frankly, though, I am deeply concerned over the success rate posted by our Insurance Agents with maintaining their lifeblood: Insured Members. **As you all know, the removal of an Insured Member for non-payment of dues from the Knights of Columbus would endanger the life insurance policies of the delinquent member and endanger the financial health of their surviving families!!!**

The following is a list of the amounts owed by delinquent members broken out by Insured Members and Regular Members. As part of my column, it will be now be published every month. I intend to add the names of those members who have not paid their dues for the most recent year. If you know someone on this list, please contact them and gently ask them to pay their dues.

James E. Kirk
Ronald S. McNulty

Deaths: Please remember Brothers Robert J. Coates and Douglas G. Ferry, Sr. in your prayers.

THANKSGIVING DAY CHARITY MEALS DONATIONS NEEDED!!

Since 1985, we have served over 12,500 Thanksgiving Day charity meals to the poor, elderly, needy and the home-alone. At our first Thanksgiving event, we bought more turkeys (40) than actually served (25). We are now up to 75 turkeys, some of them donated and many purchased by our Council. The total cost of our Thanksgiving Day meal continues to increase as the popularity of this event grows. This coming Thanksgiving, we anticipate an even greater demand, and the overall cost of the program to increase. Therefore, we need your financial support again to fund this charitable event. If you can help with a contribution, please send your check to:

MEMBERSHIP NEWS

by Anthony J. Valinote

The Council conducted a rare mid-Summer 1st Degree due to a large number of applicants. This is a good "problem" to have! On July 17th, fourteen men were inducted into the Brotherhood (eleven for EDW). Please be on the lookout for these new faces around the Council Home. It's easy to forget, but new members undoubtedly have questions about basic things we take for granted (Is the bar open to non-members? How do I order food? Why are so many people from Pennsylvania?) Also, please consider sitting in on the next 1st Degree. Attendance surely leaves an impression on new members.

AKC SWIM TEAM "HOLY MACKEREL" NEWS

Melissa Stricker

The AKC Holy Mackerel Swim Team finished the season by winning their last meet against the Armfield Farm Stingers, 246-198! We had 130 swimmers from 82 families participate this year. Our coaches: Head Coach, Caroline Heeter; Ass't Coach Bridget Eldridge; Ass't Coach, Christina Meden and Ass't Coach, Patrick Rainey, put their heart and soul into coaching our swimmers this summer. Thanks, coaches! And thank you EDW for your continued support.

The Holy Mackerel swimmers extend their congratulations to Katie Ziegler, a rising senior at Bishop O'Connell High School for winning two gold medals at the World Championships in the 1500 and 800 meter freestyle races held in Montreal, Canada in July. And for her wins in the 1500 and 800 meter freestyle events at the U.S. Summer Nationals in Irvine, California the first week of August. Also, congratulations to Sophomore Caitlin Marsilii, of Bishop O'Connell High School for her participation in the U.S. Summer Nationals in Irvine, CA. Major accomplishments for both swimmers!

RIGHT TO LIFE NEWS

By Bill Johnson

Brother Knights, you may have read in the paper or seen on television the news about the Jason and Susan Torres family of Arlington. On May 7, 2005, the day before Mothers' Day, Susan M. (Rollin) Torres — a 26-year-old vaccine researcher at NIH; wife of Jason; mother of a two-year-old son, Peter; and parishioner at St. Rita's Catholic Church in Alexandria, collapsed. She was rushed to the Virginia Hospital Center in Arlington, where she was diagnosed with stage four melanoma and pronounced brain dead with no hope of recovery. Susan was 17 weeks pregnant at the time with her and Jason's second child and although doctors gave her no hope of survival, her family decided to fight to keep her unborn child alive until the baby could have a viable chance at life. Jason slept by his wife's side at the hospital for the next three months. On Tuesday, August 2, baby Susan, named for her mother, was delivered by Caesarean section. The following morning, after reception of the Last Rites of our Church, mother Susan's body was removed from the machines keeping her alive, and she passed away.

Friends of the Torres family have established The Susan M. Torres Fund to help defray the medical costs that insurance does not cover. Current estimates of the costs range from \$400,000 to \$1,000,000 dollars. The baby's uncovered health care costs are still unknown. Due to the generosity of people worldwide, the fund has raised in excess of \$600,000 as of August 3, 2005. Any excess money will be used to establish a modest College Savings Plan for the baby and her brother and the balance donated to a charity dedicated to the prevention or cure of cancer, in memory of Susan Torres.

Our brother Jason and his and Susan's family showed heroic courage and faith in their struggle so that an innocent human life might be saved. They've done the hard part. Want to help? Please help this family by sending a donation. Any amount is appreciated and it is tax deductible. Donations can be sent to:
