GRAND KNIGHT'S MESSAGE

Happy Mother's Day! We all will be celebrating our anniversary later this month along with the opening of the pool. Also, our Mother's Day buffet will be held on May 10, 2009. This event will require reservations, which can be made with Betty Florence at 703-536-9656, extension # 6.

The Virginia Annual State Meeting will be held in May 1-3 at the Fairview Park Marriott. The agenda starts on Friday with a golf tournament at Fort Belvoir, a Casino Night with Live entertainment and a silent auction with thousands of dollars in donated items to bid on, including pool memberships at E.D.W. Saturday features an Awards Breakfast, Ladies luncheon, Holy Mass celebrated by Bishop Loverde.

The Diocese of Arlington's Work Camp 2009 is in need of volunteer handymen/contractors, individuals who will be working with an adult leader and a crew to complete a work project, which can be one, two, three or four days in duration and may involve preparing to paint, dry walling, making roof repairs or replacement, building wheel chair ramps and outhouses and many other desperately needed home repair projects for elderly, physically, mentally or financially challenged people. Please consider volunteering your time and talents to help from Monday June 22 to Thursday June 25, 2009 and it's a service project designed to teach our youth to help make basic home repairs. This year's Work Camp to be held in Winchester Virginia. Please contact Paul Bevins at 703-841-2559 or p.bevins@arlingtondiocese.org for further information.

FINANCIAL UPDATE FOR THE CORPORATION

Owen J. Beirne Jr., President

The Parking Lot Deal is a DONE Deal! – As you may know, the Arlington Public Schools (APS) has started the 5 year, \$100 million renovation of the Yorktown High School with their contractor, Hess Construction. One hurdle that APS had to overcome prior to beginning was to address the off street parking for the construction workers vehicles. Many sites were looked at, including ours. We began discussions with APS in March 2008. After a very long process, we were able to hammer out a deal. The agreement was to be between us and the General Contractor, not the School. There was a lot of time put into face to face meetings, telephone conference calls, and 5 revisions to the original agreement from March until December 2008. Finally an executed agreement was put into place in February 2009.

I would like to thank Brother Knight Colin Uckert who, with his law firm's blessing, did all the legal work on a pro-bono basis. If not for Colin's willingness, patience, and forward thinking, this deal would not have come to fruition. Let's just say that if not for Colin, we would have spent well over \$60,000 in legal fees to get this done, and I am not sure with the same result. Working with Colin, I always felt confident that he was protecting our interest, he would make a fair deal happen, and that he would never compromise our interest as the dollars were on the table. There was no prototype document off the shelf, he created it!

Hess Construction will be allowed to use a certain area of the lower parking for the parking of their workers personal vehicles from 6am to 4pm, Monday through Friday from January to the second week in June and then pickup again the last week in August through December. During the summer they will use the Yorktown HS lots since the school will be out.

The value of the deal was \$240,000; however they started 2 months early (March 2009) so the deal is now worth \$248,000. The rent is paid on a monthly basis. These funds will not be comingled with the operations of the corporation (nor will they be on the annual budget as income) as they are being deposited into a separate account entitled "Reserves" as that is what they are intended to be!

There were several key people involved in this success story who added different expertise. I would like to thank - Mike Kearny, Dave Padua, Frank White, Sandy Moore, Tom Hazzard, Jesse Corning, the Board of Directors, and again the big man Colin. And last, our good friend at APS, Bill O'Connor, who is the Director of Design and Construction. He kept the process on track. Thanks Bill for this great opportunity. Oh by the way, Bill is also a Brother Knight from NY!

TRIVIA NIGHT IS BACK!

CAPITAL CAMPAIGN UPDATE AND NEW CHAIRMAN NEEDED

Owen J. Beirne Jr., President

In 2005, the Columbus Club faced a huge task - how to finance capital improvements that had been identified throughout the campus? These capital improvements were determined to be both costly and critical. After much debate and research, the Columbus Club decided to take on a loan and at the same time launched a Capital Campaign. Then I started asking people "Who do we tap for the chairmanship to work with me?" One night at the Council home, Susan Walthall approached me and said "The man for the job is Jim (Jimmy) Savarese". I said, "Well that's great, however who is he?" She pointed out the man at the bar holding court. I approached Jim, I introduced myself, asked him, and Jim said "Sure, no problem" From then on I worked very closely with Jim. I grew to learn what a great guy and motivator he was. I always told Jim that he was our Councils' Jimmy "V" (Jimmy Valvano). Through Jim and his group, the total raised to date is well over \$145,000 from our council's members (the first deposit was on 6-6-2006 for \$600). Thanks Jim for all your work, speeches, and jokes. We miss you brother!

To date, we have completed 26 projects at a cost of over \$356,000. The balance in CCF as of 3-30-2009 is \$28,872.

We are in the process of considering further Capital improvements in Phase III. Some of the improvements under consideration are: a new roof on the Main Hall, complete renovation of the pools, new deck addition at the pool, complete renovation of the lower lounge. The preliminary estimated cost may exceed \$375,000.

So at this time, I need a new Chairman for the Capital Campaign. If you are interested and would like to be a part of this legacy, please call my cell at 202-746-2404 or e-mail me owen_beirnejr@ml.com.

In honor of Jim Savarese, I would like to share two things from a speech that Jimmy V gave at the ESPY awards in March 1993:

"We hug, we kiss, we love. When people say to me how do you get through life or each day, it's the same thing. To me, there are three things we all should do every day. We should do this every day of our lives. Number one is laugh. You should laugh every day. Number two is think. You should spend some time in thought. Number three is, you should have your emotions moved to tears, could be happiness or joy. But think about it. If you laugh, you think, and you cry, that's a full day. That's a heck of a day. You do that seven days a week, you're going to have something special....."

I know, I gotta go, I gotta go, and I got one last thing and I said it before, and I want to say it again. Cancer can take away all my physical abilities. It cannot touch my mind, it cannot touch my heart and it cannot touch my soul. And those three things are going to carry on forever. "

To Jim Savarese, we miss you!

NEW CHANDELIER IN THE COUNCIL HOME FOYER

Take a trip over to the Council Home and see the newly installed chandelier in the house's main foyer. It's a spectacular sight - new, bright, shiny, and lots of candle lights. It's an amazing improvement over the original gas fixture that been retro-fitted for electric way in the past. The best thing is that it was donated by Brother John and Maureen Fitzgerald. Thank you very much John and Maureen!

SUMMER CAMP SESSIONS ARE FILLING QUICKLY!

By Eliza Kirchner, Camp Director

I am happy to announce that Summer Camp Sessions are filling very quickly! In fact, Day Camp Session 7 is full and we have started a wait list. Several of the other Day Camp sessions only have ten or twenty spots left. On average, there are 38 registrations a day so I do not imagine these spots will be available much longer! There are still slots in each session of Cheerleading Camp and Travel Camp, however, these registrations are also moving at a fast pace. As I would hate for anyone to miss out on what is sure to be an incredible summer, visit www.kofcedw2473.org to register today! Camp descriptions, session dates, and camp fees can also be found on our website. As always, I can be reached via email (kofccamp@comcast.net) or at 703.536.9656 ext. 4 if you have any questions. Hope to see all of you this summer!

LADIES U-KNIGHTED

Susan Walthall

Happy Spring to everyone. Hope you are enjoying this beautiful time of year. And what a better time to get out for a round of golf.

Speaking of golf.....plans are underway for this year's 2nd annual golf outing dedicated to our dear friend and fellow knight, Jim Savarese. This year's tournament will take place on Friday May 22nd at 9:00 at South Riding. Plan now on taking off for a long weekend for Memorial Day and start the weekend out right – playing golf with 3 of your favorite golfers. The cost is \$60.00 per person and will include lunch and prizes.

We will be selling sponsorships for businesses and memorials in honor of Brother Knights, family and friends. The cost will be \$100.00 for a business sponsorship and \$50.00 for a memorial. We are also looking for Corporate Sponsors to help defray the overall cost of the luncheon. These sponsorships are available for \$250.00. If you are interesting in being a sponsor, please let me know. This is a great opportunity. So put together a team and sponsor a hole! Sponsorship forms and more information about the golf tournament are located on our website.

Deadlines are Monday, May 11th for sponsorships and Wednesday May 20th for golf.

Ladies U-Knight will also be selling baked goods and running a 50/50 at the Memorial Day picnic. So bring your extra dollars and help support a good cause.

FOR SALE!

ONE MONEY MAKING MACHINE

Oh, if only we could purchase a machine where we could insert blank paper in one end and \$100 bills would come out the other end.

What price would you put on it? Could you put a price on it?

But suppose for a moment that there was such a machine available and you owned it. Wouldn't you want to protect it from all hazards such as fire, earthquake, hurricanes, theft, breakdown, etc.? Sure you would!

In fact, isn't everyone a "money machine"? We use all our talents, skills, education and disciplines to "manufacture" money.

What will happen to the production of this money if you "break down"? If your ability to make money is destroyed by an untimely death, how will your money machine be replaced?

With a properly prepared and coordinated life insurance program, you can continue the flow of money to your loved ones at the time of your death.

Council Home Weekly Dinner Specials

Our Council Home has dinner specials 5 nights a week. Tuesday is Burger night. Wednesdays feature Scotty's famous tacos. Thursday is spaghetti night. Fridays feature various seafoods and Saturday nights are steak nights.

Your editor has recently 'red-coated' both a crab leg and a steak night. I met some brothers from Holy Spirit and Fr. Diamond councils. They heard about the specials and decided to come over and have dinner. They enjoyed their meals and told me they would be back. True to their word I saw the party from Fr. Diamond council at Supper Club the other night.

Come on over and see what the Council Home buzz is all about.
