## SPECIAL MEETING OF THE CORPORATION

Pursuant to the by-laws of the Corporation, Article II, Section 4, this serves as notice to the membership of a Special Meeting of the Corporation, to be held on May 7, 2015, immediately following the 7:30 p.m. meeting of the council. The meeting is to be held to discuss and vote on a Transfer of Development Rights and a conservation easement.

Please make sure to attend and to arrive early if you do not have your 2015 KofC membership card as there are very important matters that require a quorum to be present for approval.

## CHANGE OF VENUE

The April 28 board of directors meeting that is normally held on the fourth Tuesday of the month will be held in the C.F. Paradise Room. Since this is the only board meeting being held between the two TDR meetings we happily expect a larger showing of members to be in attendance.

## EASTER EGG HUNT

### APRIL 4 HOLY SATURDAY NOON SHARP!!!

This is one of our coolest events please plan to join us for the annual Easter Egg hunt. We will meet on the steps of the Council Home at noon. Please be prompt, this event starts on time and the eggs do not last long. We will have prizes and food. The Easter bunny will also be in attendance. See you there on April 4 at noon!

For the families who this will be your first year at the hunt, this is without a doubt our quickest event! The hunt will be over in less than three minutes. Please make sure your children are lined up and ready to run exactly at noon! There will be separate zones for differing age groups, so bring your newborns!

There will also be games, prizes and snacks inside the mansion for the hunters. If it's raining the hunt will be moved inside the main hall.

Let's not forget that the Easter egg is the symbol of Christ's Resurrection. As Jesus rises from the tomb, a chick hatches from the shell and begins life!

## KNIGHT OF THE MONTH

On February 19th **James Skrabut** became our 2,000th member. Now, we've been over the 2,000 member mark before, probably in the 1980s but we've climbed back this year. This month's Knight of the Month is more along the lines of an aspirational winner. James we hope to see you and your family involved in many things here at EDW and within your parish. Follow the lead of your sponsor, Mike West, and you can't go wrong!

In honor of James becoming our 2,000th member we will be making a donation to his parish.

## RETIREES

April – Easter, Baseball, the Taxman, Spring, and Retirees. Yes, we keep on going. Our conclusions in the past year, after hours of discussion include: If God wanted us to touch our toes, he'd have put them on our knees; a whale swims all day, only eats fish, drinks water, but is still fat - a rabbit runs and hops and only lives 15 years, while a tortoise doesn't run and does mostly nothing, yet it lives for 150 years. And we're supposed to exercise? We think not.

We meet every Wednesday in the Council Home starting around 11am. Please consider joining us. Next week we will consider the conundrum: "I don't remember getting forgetful".

Please pray for all of our Brothers and their families especially our sick retirees.

*Mike Casey*

## GRAND KNIGHT'S MESSAGE

Happy Easter my friends!

Time to think of Spring and new beginnings but also to remember why we are here. My family has been spending time refreshing our yard and coaxing the tulips to shine. Building on the foundation of what we've gardened in previous years. We've had to dig out some plantings to safeguard our new dog. [Who knew hops were poisonous to canines?!]

It's also time to renew our Faith as Allison had her First Penance in March and her First Holy Communion will be May 2.

Just as we care for and renew our gardens and Faith we need to care for and renew the Knights of Columbus and EDW. Let us remember as new options come before us that we take great care to ensure it builds on our existing foundation and leaves us embracing the future. There are two hallmark years in EDW's history; our founding in 1923 and 1951 when we moved onto Reserve Hill. We very well may be on the verge of adding another monumental year to our history; 2015. You'll see on page 3 that the Columbus Club is working with precision, care and great discernment on a potential source of funding which has the potential to reinforce our foundation and ensure our future for our children and grandchildren. In my first message to you last July "We promise[d] to pass the Knights of Columbus and EDW legacies on to our children's generation in as good if not better condition than we received it." Well with the leadership of Owen Beirne Jr., Colin Uckert, Jerry Garren and John O'Neill III and many others we may be on the verge of doing that. Please review page 3, plus all other information that will be forthcoming and attend the extremely important meetings the committee has set up. We need you to participate and ask tough questions, you very well may have an insight that becomes invaluable to the process.

The Knights of Columbus is centered on Charity, Unity, Fraternity and Patriotism. As I've seen in another matter with another Virginia council in March every action we take reflects not only on our families and our council but also on all the councils in Virginia, the entire Order and the Church. Whether the membership votes to approve or disapprove the proposal let us demonstrate charity, unity and fraternity towards each other. We may disagree with each other on some things but we all want what's best for our children. We'll find our way if we show that respect for each other and remember we are brothers.

*Blessed Leonardo Pérez Larios, a martyr from council 1963, please pray for us and guide us.*

John White

73rd Grand Knight

## MANAGER'S CORNER PETER SILANO

We have made it through another snowy month. Thanks in part to John O'Neill III, for plowing and salting at least six times, at this writing. John's generosity has saved the club thousands of dollars, again this season. Many, Many Thanks. So looking forward to the April showers which bring May flowers and eventually 80 degrees and humid. This has been a long wet winter. As always we look forward to seeing you at our Annual Easter Brunch on April 5, in the Main Ballroom. Please make your reservations early. The Family Breakfast on April 19, in the Main Ballroom. The "Taste of Italy" Supper Club was a great success, thanks again to those who continue to support the Supper Club. This month's Supper Club is "Springtime in Paris" on April 24, in the Paradise Ballroom.

## IMPORTANT NOTICE OF UPCOMING MEETINGS

On April 16, 2015, and May 7, 2015, the Board of Directors will hold meetings to inform the membership of the potential benefits of allowing the Board to solicit, negotiate and execute a “Transfer of Development Rights” (TDR) and create a “Conservation Easement.” In sum, the successful execution of these transactions would bring a substantial sum of money to help us maintain and improve our property for years to come, while minimizing taxes and preserving EDW’s current footprint (with a buffer to develop additional buildings/facilities, if needed).

This is an important decision that will be made **by the membership**. Please plan to attend both meetings and remember to be ready to show your 2015 membership card if you attend the meetings.

*What is a TDR and how do they work? TDRs are a legal framework to facilitate the transfer of density (the right to build improvements of a certain size) from one parcel of real property (the sending site) to another parcel of real property (the receiving site). Ideally, TDRs are transferred from an area where the community would like to restrict additional development, to an area (such as the metro’s Orange line Rosslyn – Ballston corridor) where the community would like to encourage additional development. Once the development rights are transferred, the sending site loses its right to develop to the extent of the transferred density (analogous to a voluntary down-zoning), and the receiving site has the right to develop a larger building to the extent of the transferred density. TDRs are transferred to projects through the County’s site plan approval process – so a developer must be far along in a project’s planning in order to accommodate the TDR transaction. The TDR transaction is memorialized by recordation of a deed among the County land records (a Deed of Severance).*

*We would still own the property. We could still sell it and, we could still mortgage it.*

### MARCH 11 TDR COMMITTEE MEETING RECOMMENDATIONS

In consideration of the uniqueness and complexities of TDRs, the TDR committee met and set two meetings, **April 16 and May 7**, as “Town Hall” information dates to coincide with regular meetings. A formal presentation of the concepts under consideration will be made at the first meeting and questions will be permitted. The second meeting will allow the Committee to properly research and answer questions that could not be answered at the first meeting. It is hoped that following unanswered questions, a discussion, debate and vote will be taken at the May 7 meeting.

More importantly, the committee also voted unanimously to recommend to the Board that it adopt three important measures in proceeding forward. The first recommendation is to adopt a three phase process (information/vote; if approved, negotiation and investment). The second recommendation is to present two separate issues to the vote of the membership, to allow the Board to negotiate and execute a TDR and, similarly, to create and execute a conservation easement. The third recommendation is that the Board agrees to keep the proceeds from such transactions intact and entrust the membership with the decision on the use and investment of proceeds.

These recommendations were not approved at the time this article went to press. However, in consideration of the committee’s unanimous agreement, it is anticipated the recommendations will be unanimously ratified by the Board at its meeting on March 24.

**LADIES U-KNIGHTED NEWS**  
**Jo Balsamo Wood**

Greetings all. April 5th is Easter, the greatest feast in the Christian calendar. On Easter Sunday, Christians celebrate the resurrection of Jesus Christ from the dead. For Catholics, Easter Sunday comes at the end of 40 days of prayer, fasting, and almsgiving, known as Lent. Through spiritual struggle and self-denial, we have prepared ourselves to die spiritually with Christ on Good Friday, the day of His Crucifixion, so that we can rise again with Him in new life on Easter. Wishing everyone a happy and blessed Easter.

**SAVE THE DATE and mark your calendars – open to everyone!!!**  
 Join LUK at the Old Council Home on Saturday, April 28, from 12:00 – 2:30 for a Tea Party and Baby Shower to support the organization “A Woman’s Choice” who give women the opportunity to preserve the lives of their unborn children. We are anticipating new and/or expecting moms to join us as we serve refreshments and play games for prizes. All are invited; please stop by and join the fun. We are asking that you donate an unwrapped gift to this event. Suggestion for gifts include: diapers (newborn – 5), pull-ups, baby wipes, unused bottles and pacifiers, toys, umbrella strollers, pack n’plays, baby shampoo, lotion, powder, new or slightly used clothing newborn - 4T, receiving blankets, bibs, rattles and gift cards. If you cannot come to the shower and would like to donate a gift or clothing, please contact Alison Broadbent at (703) 304-6639 to arrange a drop off.

We are always looking for new members. For those of you that are unfamiliar with Ladies U-Knighted, we are a group of women that support and promote the goals and endeavors of the Knights of Columbus, Edward Douglass White Council No. 2473 by raising funds through volunteer efforts. We meet at 7:30 p.m. on the first Thursday of each month at the K of C Old Council Home, 5115 Little Falls Road, Arlington, VA. Membership is open to any woman who is compelled to help those in need, provide excellence in its many activities, whether religious, charitable, or social, and have fun. Please stop by for a meeting. Follow us on Facebook at *Ladies U-Knighted*.

In honor of Holy Week, we will postpone the next LUK meeting until April 9. Happy Easter!

**FAMILY NIGHT**

Make plans to join us for dinner and bring the kids. This is NOT a drop-off event, parents will be expected to remain in the Mansion and maintain primary oversight of their children. The kids will have a choice of chicken tenders or hot dogs, with fries and a drink. If you have questions please call Kenny Goss, PGK at 703 448 0332.

**HOLY WEEK MEETINGS**

In observance of Holy Week, the 1st Thursday meeting of the council is cancelled. The Columbus Club meeting normally held on the 1st Thursday will, in accordance with its bylaws, Art. II, Sec. 2, immediately follow the 3rd Thursday meeting on April 16 in the Main Hall.

## THE NEW CULTURE OF LIFE COMMITTEE AT EDW BEGINS WITH A PRAYER

Sincerest thanks to the EDW council for welcoming us into our new positions as Culture of Life chairmen. We are pleased to share responsibility with all interested in this urgent concern of today's Church, serving the needs of humanity in a rapidly changing culture. Our focus will be on building a "civilization of love" with the help of the entire council, guided by the Order's Catholic principles of charity, unity, and fraternity.

We would like to invite you to a meeting to share some ideas on April 23 at 7:30 in the mansion. While we have many ideas to propose, we'd like you to bring your own to this meeting at EDW. We would like to begin by inviting everyone to join us in this prayer (also found in the missalette):

### *Respect for Life*

*God of life and love,  
you created us in your image  
and sent your Son to bring us life.  
Instill in us a respect for all life,  
from conception to natural death.  
Empower us to work for  
justice for the poor.  
Nourish us that we may  
bring food to the hungry.  
Inspire us to cherish*

*the fragile life of the unborn.  
Strengthen us to bring comfort  
to the chronically ill.  
Teach us to treat the aging  
with dignity and respect.  
Bring us one day  
into the glory of everlasting life.  
We ask this  
through Christ our Lord.  
Amen*

Luigi & Susanne Tanzi

## KNIGHT LIFE DELIVERY

If you have email service we need you to register to receive the Knight Life by email rather than by U.S. Postal Service. Please go to: [bit.ly/edwsigninup](http://bit.ly/edwsigninup)

It will take you 60 seconds to sign up. You can register both, husband and wife, to receive it.

If you wish to **cancel** the Knight Life please email a note to [edwkofc@hotmail.com](mailto:edwkofc@hotmail.com) or call 202 352 7955.

Please do this now!

## A FOUNDING NOTION: PROTECTING THE BREADWINNER'S INCOME

While jobs may be safer in 2015, accidents, injuries, and illnesses that can impact your ability to work still happen. Most, in fact, do not happen on the jobsite or place of employment. Did you know that a 2011 study revealed that more than 95 percent of the long-term disability claims on file were not work related?

The Knights have always sought to protect members' families from the "loss" of a breadwinner. We are sure you know all about Father McGivney's vision for our insurance program. But you may not know that Father McGivney also wanted to find a way to help members who couldn't work because of an illness. After all, the "loss" of the breadwinner does not have to mean that person's death; it can also mean the loss of the breadwinner's income.

Consider that loss for a moment. How would your family fare if a source of income suddenly stopped? Could a dual-income family manage on one income stream? What about young families with a working father and a mother who cares for the children? What if his income halted due to an accident or illness?

We've heard some people say they have coverage at work, but too many aren't sure what this coverage entails, how much income it would provide or for how long. Having this protection counts for something, certainly, but it isn't "yours"; it's provided by the company for which you work at their discretion. It could be eliminated tomorrow.

That's where a personally-owned disability income insurance product, like Income Armor, comes into play. It can offer valuable income replacement in the event of an injury or illness. If you have a job, you must know about this coverage.
