

HONOR FLIGHT, ST. AGNES & KNIGHTS OF COLUMBUS!

A chance to show mercy, love & gratitude!

Honoring our veterans, especially the World War II generation, is a tremendous act of patriotism and gratitude and it's a lot of fun to do as an entire family, as a Boy Scout and Girl Scout troop, a homeroom/CCD class or a sports team!

It's real simple and easy to do. Simply show up and line up outside when the buses arrive and cheer and say thank you to our defenders. Then come into the building and help hand out and provide drinks and lunch or dinner to the veterans. Please arrive at the main hall 20 minutes prior to the expected arrival times listed below. Stay for 20 minutes or stay for the duration and help clean up. I guarantee you if you strike up a conversation with one of the men or women who served in WWII you'll gain an incredible appreciation for what they sacrificed to defeat Totalitarianism and preserve our freedoms.

This is a great way to introduce our children to giving back to our society and caring for each other. You can encourage the kids to create posters or thank you cards to give to the veterans. No need to sign up in advance, just show up!

**COPY & PASTE FOR YOUR REFRIGERATOR AND PLUG THE DATES INTO YOUR PHONE AS A REMINDER
